Finally, we have taken a decision on the venue for the International Rally 2016. We will be at the five-star tourist resort Lysingsbadet driven by Västervik Resort AB. Here there are 425 beds in cabins with shower and toilet, there are 38 beds in cabins with hot and cold water in kitchen, shower and toilet in a service facility 50 meters away. There is also a hostel with 22 beds and shared showers and toilets, there is also a kitchen and TV room. Booking of cabins must be made by April 15<sup>th</sup> - we will inform when you can start to book, we will have a quota system for all countries so that there is a fair distribution of all cottages. We have nice green space for tent area. We want the names of all participants who intend tenting.

There is a shop in the area and 3 restaurants - they will stay open longer in the evening just for us. There is a complete bar where you can pay with cash or creditcard. We will offer a complementary food package for those arriving on Thursday. They will be sold for 200 Kr and includes a dinner Thursday evening and a breakfast Friday morning. You must indicate at registration if you want an extra package, each country receives its orders and inform us by April 15<sup>th</sup>. You pay for the extra food package at the gate. We will give details later about what there will be for food. We will have guides that will meet all countries that wish it - let us know in time.

Sweden will have our annual meeting on Saturday at 11 am and we expect to be ready by 12.30. We hope that you have patience with this because it is best to schedule it when we have international rally.

Food & Drink from Mediterranean to traditional Swedish!

ENJOY GREAT FOOD AND DRINK AT LYSINGSBADET! Enjoying great food is easy during your holiday! Lysingsbadet has four restaurants/ cafés, three of which are run by Lysingsbadet itself, so you can enjoy a different culinary experience every day.

- Tapas & Cava serve Mediterranean-style food prepared by our own Spanish chefs. Enjoy traditional tapas and a chilled cava, a paella from the à la carte menu or the lunch special on the patio overlooking the waters of Lucernafjärden. In the evenings, we break out the white table cloths and offer an à la carte menu with a blend of traditional Swedish food and dishes inspired by the Mediterranean.

- Café Trädgården serves light lunches, waffles, sandwiches, wonderful cakes and great coffee. You can also enjoy a game of Adventure Golf or just sit quietly and enjoy the view from one of the outdoor tables.

- Restaurang Magnolia serves breakfast, pizza and buffet. Coffee and cakes. You'll love this oasis at the centre of the Asian garden. Enjoy a game of Adventure Golf, and don't miss our special offer on freshly-baked waffles!

RELAX - FIND YOUR INNER PEACE: Give your body a chance to recover during your stay with us. There are two different types of sauna on the upper floor of the Relax wing - a Turkish hamam and a Roman spa, as well as Jacuzzis, all in the same building.

AN EXPERIENCE FOR BODY & SOUL: We don't have a sauna – we have several! Our sauna building and two hot tubs are on the pontoon, with lovely views over Marielundsviken Bay. It houses a wood-fired sauna and 2 electrically-heated saunas, and there is also a small floating sauna actually in the sea, with views of the islands of the archipelago. The sauna building also features a large relaxation area with open fire, table seating for 20 – 25 and a fantastic view out to sea. Relaxation and sauna packages can be booked at the sauna building.

THEME: We will bring you back to the 60's and early 70's to experience the flower power period again. I don't think there will be a problem to find clothes for this theme. Maybe you just need to check your wardrobe.

I will return to you what date you can start booking cabins. If I have missed any information, please let me know.
